The Emergency Treatment Center: 1974-1992
Director of the Center and Member of the Board of Directors
The center provided emergency psychological services to a population
of 750,000 people. The area the Center served included nine cities
and eight police departments in Santa Clara County. The Center had a
clinical staff of fourteen people and opened approximately 1,000 cases
a year; funded by the County of Santa Clara.

Mental Research Institute: 1974-present:
Senior Research Fellow and Member of the Board of Directors

San Francisco Police Academy: 1976-1979
Advanced Officers' Course in Hostage Negotiation

Affiliated Psychologists and Counselors, Inc.: 1976-present
President of psychological corporation, with offices in Palo Alto and Cupertino, California, that provides comprehensive clinical, diagnostic, and consulting psychological services to families, adults, adolescents, and children, as well as organizations, law enforcement, and the corporate world.

Affiliated Psychologists' clinical services include: Individual, couples, family therapy, psychological and neuropsychological testing, evaluations, consultation, and training.

Santa Clara Sheriff's Department Hostage Negotiation Team Member: 1978-2002

San Jose State University, Administration of Justice Department: 1978-1995
Instructor: Psychological Aspects of Sexual Assault
The Psychological Profile of Sex Crimes and Sexual Predators

Criminal Justice Training Center: 1981-2005
Police Academy Instructor: Psychological Pre-Screening of Police Officers

Mental Research Institute International Conferences: 1981-1987
Conference Coordinator

The Trauma Center: 1984-present
Director of this special clinical group in Affiliated Psychologists and Counselors, Inc. which specializes in the assessment and treatment of adults, children, adolescents, and groups who have experienced a traumatic event such as physical or sexual abuse, the death of a family member or parent, a serious physical injury or medical problem, or a natural disaster.

Center for Exceptional Children and Adolescents: 1990-present
A clinical group within Affiliated Psychologists and Counselors, Inc. Staff members are specifically trained to diagnose psychological and developmental disorders and conditions of childhood and adolescence, such as: Autism or Asperger's Syndrome, Attention Deficit/Hyperactivity Disorder, learning disabilities, Mental Retardation, processing disorder, Depression and Anxiety Disorders,

Conduct or Oppositional Defiance Disorders, and elimination disorders.

In addition to evaluation services, the Center offers counseling services to exceptional children, adolescents, and families. Counseling may be conducted in individual and family sessions, and may include couple's counseling for parents who are learning how to cope with the challenges that arise from raising a child or adolescent with special needs.

Behaviordata, Inc.: 1996-present

President of a psychological corporation with offices in Palo Alto and Cupertino, California, that provides computerized test scoring, behavioral analysis, consultation, and training to clinicians, the corporate world, and law enforcement. Behaviordata became an American Psychological Association sponsor of continuing education in 2002.

Sequoia Center: 2004-present

Psychological consultant for a chemical dependency treatment program.

Institute for Behavior Assessment and Research, California School of Professional Psychology at Alliant International University: 2006-present
Director
